

DISTRICT 13F BOWLING TOURNAMENT

Picture above are the 'Magnificent Five'(The MAG Five) from left to right; Jim Paxton, Tom Karbler, Rick Eyman, Pat Loudermilk, alias Pat Lou Dermick and Don Lettie. A secret ballot was used to select a Team Captain. On the first count of ballots all five names were nominated, go figure. In order to break the deadlock Tom Karbler was selected after rolling a high game of 173. It was obvious right from the start there would be no dust or dirt in the gutters. Lion Lettie lead the team in gutter cleaning. The Mag Five was hampered all afternoon by a very noticeable crown on both lanes. This resulted in a large number of split spares keeping scores down. Even with all the problems on the lanes the MAG Five out scored their opponents by 672 pins. Disregard any rumors about one member of the opposing team being seven years old. Subs are subs. Anyway we had lots of good laughs
